Most Popular Frequently Asked Questions

What is the Cruise Itinerary? How do I get to Puerto Princessa (Tubbataha Itineraries) and/or Mactan, Cebu (Visayas Itineraries)?

Know Before You Go, Itineraries and many more other information can be found at <http://dropbox.solitude.world>

Do we have WIFI? Is there internet? Can I get Mobile Data?

We offer Starlink internet connection onboard. You may purchase various data packages onboard (please refer to Know-Before-You-Go document). Only Skype and Video Streaming will be inaccessible but internet browsing, messaging and other popular social media are accessible. You can use your own device (WIFI) or provided desk top computers to access the internet.

The Philippines do have prepaid sim cards and top-up credits which we will make available on board as a convenience for our guests. Usage is of course dependent on mobile telecommunication signal and you may find yourself more often without signal than with. We are not responsible for the lack of use or the lack of efficient connectivity.

What do I need to pay (per person) on board that is not Included in the package?

Your cruise package essentially excludes Equipment Rentals, Satellite Communications, EANitrox, Alcohol, Laundry Service, Marine Park Fees and Local Barangay (district administration) permits. Marine Park Fees and Local Barangay permits will be collected on check-in. You will pay the other incidental expenses at check-out. **Only Mode of Payment is in Cash (PHP or USD).**

Dive Permits imposed by provincial authorities and/or local offices will be advised closer to the trip schedule to have the most updated figures. Permits are not payments to us but to the respective authorities. As such, only CASH payment is collected and can only be collected on board and no prepayment can be entertained.

What Currency do we accept? Can I pay with Credit Card?

Pesos is the Philippines' official local currency and CASH in USD is accepted. Credit Payment is done online with our online payment account with stripe.com (+4.5% Facilitation Fee).

Do you have Nitrox? How much?

We have decided to provide a EAN30% instead of EAN32% to allow a safer M.O.D. EAN30% would provide some degree of depth buffer if you find yourself caught in a down current especially, but will still allow ample extended length of no decompression limits (compared to normal Air). EANitrox Prices are as follows +8USD per Dive OR 135USD for 7 Days 6 Nights Itinerary with subsequent additional day of use 20USD per Day.
