

Enjoy Your WiFi

We offer Satellite Data Packages in USD:
\$15 for 2GB, \$30 for 10GB, & \$45 for 20GB

We offer Starlink internet connection onboard

To conserve data:

- Turn off auto-updates for apps and software.
- Disable cloud sync for images and videos.
- Prevent auto-downloads in messaging and media apps.
- Disable autoplay for videos on social media.

As connectivity relies on an external satellite provider, Solitude Liveboards are not responsible for service interruptions or hardware issues.
