

Maumere & Alor

9 Days, 8 Nights

SOLITUDE ADVENTURER

Day 1 - (Embarkation in Maumere) Our crew will meet you at the airport and transport you to Solitude Adventurer. After being welcomed onboard and showed to your room, there will be a safety briefing followed by lunch. There is a possibility of a check dive, schedule allowing.

Day 2 - Our first full day of diving will be spent exploring the islands in the area of Maumere. We will do 3-4 dives today, and sail overnight to Lewaling Bay.

Day 3 - Today we explore the reefs along the north side of Flores island and within Lewaling Bay. With a stunning backdrop of towering volcanoes, we explore the reefs and sandy slopes. We will do 3-4 dives today and sail overnight to Alor.

Day 4 - 6 - We spend the next 3 days in the area known as Alor, exploring the many dive sites within the Pantar Strait and Kalabahi Bay. Beautiful reefs, abundant coral, and black sand muck diving await. We will do 3-4 dives each day.

Day 7 - Today, weather and conditions allowing, we find ourselves along the southside of East Nusa Tenggara. A day spent in colder, nutrient rich-water, exploring the reefs that only few have seen before.

Day 8 - As we make our way back towards Maumere, we will have our last 2 morning dives on Serbete reef and possibly Tanjung Gedong on the north side of East Nusa Tenggara.

Day 9 - (Disembarkation)
After a small breakfast, we say our goodbyes, and our crew will transport you to the airport in Maumere. We hope to see you again soon!

*Itinerary subject to change due to inclement weather, sea conditions, and/or restrictions posted by local authorities.
